
Looking for **Assistant to an Early Years Autism Specialist**

- To **start immediately**
- includes **paid training**
- Part-time **15 – 20 hrs per week**
- Location – **West Royalty Area**
- Contract rate negotiable, range approximately **\$15 per hour**, commensurate with experience

Looking for -

- Experienced or willingness to work with young children (aged under 5 years)
- Ability to work independently and as part of an interdisciplinary team
- Eagerness to learn about approaches to autism treatment and willing to engage in additional training opportunities as identified
- Criminal record check (including vulnerable sector)
- Reliable transportation
- Legally be able to work in Canada

Job duties include -

- Provide direct one-on-one early intensive behavioural intervention to a young child (4 years old) at our home (in West Royalty area) under the supervision of an Autism Specialist
- Collaborate with parents and other members of the intervention team (e.g., SLP, OT) to provide a holistic, client/family centered approach to treatment
