YOU:

Do you have a passion for **science, technology, engineering, and/or math**? Do you thrive on the energy of kids and enjoy inspiring young minds? Do you geek out over equipment like **3D printers and laser cutters**? Share your **awesomeness** with us!

Do you play an instrument, love sports, act, sing, dance, draw, sew, or have some magic tricks up your sleeve? We are always fascinated by exciting opportunities to incorporate the **A** in STEAM!

THE OPPORTUNITY:

STEAM PEI has a Makerspace, **'Etl-kisite'tasik,'**that will soon be located at **141 Mount Edward Road, Charlottetown, PE C1A 5T1.** At this location, we will offer special programming throughout the summer, including a **touch tank, open Makerspace time,** and a wide range of **STEAM programs open to all.**

STEAM PEI is looking for **Summer Makerspace Support** to work with our team in developing and facilitating summer programs at the **Etl-kisite'tasik Makerspace.** Our priority is to create an **inclusive, warm, welcoming, educational, and fun space for everyone.**

What kinds of things will you do?

- Organizing and facilitating **workshops, classes, play invitations, and special events** for youth ages 3-18.
- Monitoring and supporting visitors during **open Makerspace times.**
- Learning and teaching others how to use specialized equipment such as **3D printers, laser cutters, vinyl cutters,** and **robotics.**
- **Processing retail sales** and collecting and tracking payments for the use of the space.
- **Promoting, marketing,** and building awareness.
- **Keeping the space tidy** for visitors.

Summer hours for the **Etl-kisite'tasik Makerspace** are planned to be:

- Monday to Friday: **9 AM - 5 PM**
- Saturday: **10 AM - 4 PM**
- Sunday: **12 PM - 4 PM**

These hours are **subject to change** based on our summer visitor traffic.

Compensation:

- **$18-20/hour** for a **post-secondary STEM student** with relevant experience (**37.5 hours/week**).
- **$16-17/hour** for a **responsible high school student** in Grade 11/12 or recently graduated.

The real reward? The sense of accomplishment when you see students' eyes light up with wonder and excitement. **Contribute to the success of future generations of Islanders** by helping build STEAM on PEI.

THE SKILLS:

If playing with robots with 6-year-olds, blasting off bottle rockets with 8-year-olds, and creating stop-motion animation videos with 12-year-olds sounds like a nightmare, then this job might not be for you.

But if you're thinking, **"I can't believe I'd get paid to do that!"** then you are going to have a **BLAST!**

Ideal skills and experiences include:

- **Experience working with kids** and **retail sales.**
- A **clean criminal record check** and **First Aid certification** (**required**).
- Knowledge of **science, technology, engineering, art, and/or math.**
- Comfort in **trying new things** and continuing your own learning.
- Experience with tools such as **Makey Makey, micro:bits, TinkerCAD, Fusion360, Cricut, Scratch, Dash, Canva, Clockify,** and **Trello** (**bonus points!**).

We value **diversity of perspective, people, knowledge, and cultures** and strive to provide a safe, highly inclusive, and welcoming environment where everyone feels a sense of acceptance and belonging.

Experience working with BIPOC and/or gender-diverse students is a strong asset.

ABOUT US:

STEAM PEI is a non-profit organization dedicated to inspiring young Islanders to explore learning and careers in STEAM (science, technology, engineering, arts, and math). Our mission is to foster curiosity and confidence through hands-on, experiential learning opportunities.

We are excited to announce that we will soon be located at **141 Mount Edward Road, Charlottetown, PE C1A 5T1**, where we will continue to deliver impactful programs.

Our efforts focus on reaching youth across PEI, with particular emphasis on under-represented groups, including girls, Indigenous youth, and youth from low socio-economic backgrounds.

TO APPLY:

Email your resume to **admin@steampei.com** and tell us why you would be great for this position. Be sure to mention which position you are applying for.

There will be **two Summer Makerspace Support positions** available:

- **The positions** will start on **May 20**
- All positions end on **August 30th.**

We are creating an **employment list for summer opportunities now,** so we encourage you to apply early!
